

**REMARKS**

This Amendment is supplemental to the response filed November 2, 2010. Claims 1-30 are pending and claims 10 and 13-30 are withdrawn from consideration. Claims 1-9 and 11-12 were rejected. By this Response, claims 1, 4, and 9 have been amended, claims 2-3 and 5-6 are cancelled, and claims 31-35 are added. It is respectfully submitted that no fees are presently due. By this amendment, the status identifier in claim 7 has been changed from "currently amended" to "previously presented". The claims in the listing will replace all prior claims in the application. No statutory new matter has been added. Support for all claim amendments can be found in the original specification.

### CONCLUSION

All of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Therefore, it is respectfully requested that the Examiner reconsider all presently outstanding rejections and that they be withdrawn. It is believed that a full and complete response has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

It is not believed that extensions of time are required, beyond those that may otherwise be provided for in accompanying documents. However, in the event that additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. 1.136(a), and any fees required therefor are hereby authorized to be charged to **Deposit Account No. 02-4300, Attorney Docket No. 033036 M 112.**
